

# Holding patterns

Lively, bold patterns debut in abundance this market, dressing designs up and down with enhanced decoration. With ornamental styles in ascendance, the focus is on classical inspirations like damask, florals and medallions with an updated vibe. Vibrant colors render the pattern-packed designs eye-catching and more than likely to grab the attention of buyers for some time to come. — *Tracy Bulla*

The Bienville Damask frame from **Laville** embellishes reclaimed heart pine with the elegantly bold motif in silver/white dove (\$50). MM 9-C-18

Gilded blooms bedeck **Illume's** seasonal Orange Cranberry Reed diffuser, decorating the bottle and box with stylish flair (\$30). GM 1800

Made in India, the Signature Collection design from **Janellestyle** presents stylized botanicals in lush profusion (\$100). MM 7-J-31

Rustic paisley motifs bring nostalgic country charm to Tracy Porter's August Coq salad plate from **Zrike**. MM 16-E-2
